

Important Note

Includes conversion kit assembly only. CSC36AC charging station cart and monitor sold separately.

Display Mount Adapter Kit for 36-Device AC Charging Station Cart

MODEL NUMBER: **CSC36DM**

Allows a flat-panel television or monitor to be mounted to your Tripp Lite CSC36AC charging station cart (sold separately), converting it to a mobile display cart. Recommended for environments that use mobile devices daily.

Description

The CSC36DM Display Mount Adapter Kit includes all installation and mounting hardware needed to attach a flat-panel television or monitor to your CSC36AC 36-Device AC Charging Station Cart. Recommended for schools, offices, warehouses, healthcare facilities and other environments in which tablets, laptops or Chromebooks are used on a daily basis, the CSC36DM fits most flat- or recessed-back displays up to 60 inches.

A -10° to 0° tilt capability minimizes glare and provides comfortable viewing from multiple angles. Adjusting the tilt angle is simple using the easy-grip twin knobs located on the adapter brackets. The durable all-metal unit with scratch-resistant powder-coated finish supports up to 100 pounds (45.4 kilograms).

The CSC36DM is designed to fit through standard doorways when assembled. It conforms to VESA-compliant displays with any of the following mounting hole patterns: 200 x 200 mm, 300 x 300 mm, 400 x 200 mm, 400 x 400 mm, 600 x 400 mm and 800 x 400 mm.
