## DATASHEET

Experience bright, high-quality images in the home or office with this easy-to-use SVGA model, featuring 3LCD technology.

From watching blockbusters on the big screen to hosting business presentations, this SVGA projector has a range of features to suit your needs. Forget ambient light; with 3LCD technology and 3,200 lumens it's incredibly bright. Did we also mention that it's hassle free to set up and has a long-lasting lamp light source that provides 15 years' worth of entertainment? That's great value for money.

### Bigger is better

Whether you're watching your favourite blockbusters or delivering a presentation, this projector can achieve an impressive 350-inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products<sup>2</sup>. In addition to its bright and vivid colours, the 15,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

### High-quality, bright images

Even in bright rooms, this powerful yet affordable SVGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,200 lumens.

### Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? With this model's long-lasting lamp light source, you could watch a film every day for 15 years<sup>1</sup>.

### Stress-free set up

Here's a projector that's designed with portability and quick set up in mind. Position the image with keystone correction and access content simply with the HDMI inputs. Thanks to the optional ELPAP10 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.
