Compact design

Live music, roaring victories or captivating dialogues; this Trust Lino Bluetooth Wireless Sound Bar is so versatile in its possibilities, you will forget about other audio devices. Its rich and powerful stereo sound is perfect for every setting. Its compact composition makes this sound bar perfect to wire up below a PC monitor or TV screen and the stylish design complements any room. Whether you're watching your sports team win, defeating your in-game enemy or relaxing with your favourite music, the peak power of 20W (10W RMS) ensures a clear sound experience.

Wireless entertainment

Effortlessly enjoy music with your family and friends via Bluetooth connection. No Bluetooth available? Don't worry, connect the speaker via a 3.5 mm cable, micro-SD or USB, which are easily picked up with the integrated MP3 player. With the large, easy to reach volume knob you can get that party started instantly!

Listen all day

The sound bar has a rechargeable battery with up to 10 hours' playtime. The included 1-meter micro-USB charge cable and 3.5mm aux cable provide limitless audio experience.
