

Lighten your workload. Smallest and lightest HP Business Notebook PC.

HP recommends Windows Vista® Business.

## HP EliteBook 2530p Notebook PC

With a starting weight of just 1.45 kg, the HP EliteBook 2530p Notebook PC meets the military standard MIL-STD 810F for tests including dust and high temperature <sup>1</sup> and keeps you going without weighing you down.

#### Keeps the ultra mobile — ultra-productive

Strengthen security measures and remotely monitor, diagnose and repair PCs over the network with Intel® Centrino® 2 with vPro<sup>™</sup> technology <sup>2</sup>. The HP EliteBook 2530p also gives you flexible solutions that work best for you: 1.8-inch or 2.5-inch hard drive and Intel® Core<sup>™</sup> 2 Duo Ultra Low Voltage <sup>3</sup> (ULV) or Low Voltage (LV) processor. With two memory slots, you can increase your system's performance, enabling a quicker boot-up and the ability to run multiple programs simultaneously.

#### **Empower your business**

Benefit from the mercury-free, 12.1-inch diagonal widescreen HP Illumi-Lite LED display which is lighter and more energy-efficient than standard CCFL display technology. The HP EliteBook 2530p also offers three flexible battery solutions for lightest weight configurations or all-day computing <sup>4</sup>.

#### Enjoy wireless in more places

Whether you're across the street or across the country, integrated HP Mobile Broadband, Gobi technology <sup>5</sup>, Wi-Fi CERTIFIED<sup>™</sup> WLAN <sup>6</sup> and Bluetooth® help you stay connected in more places. You also get the flexibility to add HP Mobile Broadband at a later date.

#### HP Professional Innovations help you focus on your business

Built to last. Enhanced reliability features such as HP DuraCase, HP DuraKeys, HP DuraFinish and HP 3D DriveGuard give you a durable device so your notebook can go the distance <sup>7</sup>.

Built to simplify. Boost your productivity while maximizing ease of use. The 2 MP Webcam with Business Card Reader software means you will never forget a name, e-mail or phone number. The webcam is also perfect for video, web conferencing and VoIP<sup>8</sup>.

Built to protect. HP ProtectTools provides an array of multi-layered, customizable security solutions help defend your network, your applications and your data.
