Convenient ironing

- Clothes hanger
- 1 kg lighter*
- Ironing with 60% less noise*

Safe ironing

- Designed for stability: transport lock and feet caps

PHILIPS

Highlights

Clothes hanger

No need to look for a place around you to hang your freshly ironed shirts. You can hang garments directly after ironing to the convenient hanging rail.

Multi-layered board cover

The board cover is made of 100% cotton and is supported by foam and felt layers. This combination provides a comfortable and smooth ironing surface.

board closed during storage. The ironing board is supported by double leg construction with anti-slip feet caps that provides extra stability.

1 Kg Lighter

The ironing board is now 1 kg lighter compared to previous version for more convenient movement before your ironing session

XL Board and XL Tray

Iron more in one go with Philips XL board shape (120 x 45cm). It is also ideal for ironing big items such as bed lines and table cloths. The stable and extra-large iron tray is perfect for steam generators. It is also heat resistant and can be safely used with steam irons.

AquaBlock anti-drip cover

AquaBlock is a unique technology that prevents condensed steam from dripping on the floor, making this board cover the ideal ironing surface for steam generator irons.

Ironing with 60% less noise

Ironing experience is more convenient with the ironing board cover that gives more silent ironing with 60% less noise reduction in sound power versus multilayer board cover

Transport lock and feet caps

Transport lock prevents accidental collapsing of the board while ironing and also keeps the
