**Allergy friendly**

- Allergy Lock traps dust inside
- Easily emptied with one hand to control dust
- Allergy filter for 99,95% filtration

**Perfect for homes with pet hair**

- Super Turbo brush, perfect for homes with pet hair

**Effortless cleaning**

- Onboard accessories for always at hand accessories
- Soft brush integrated into handle for easy access

**PHILIPS**

# Highlights

## Powerful cyclonic action

Exclusive PowerCyclone 8 technology quickly accelerates air in the cyclonic chamber to separate out dust. The powerful swirling action maximizes airflow and performance for remarkable cleaning results.

## 3-way cleaning action

Our exclusive TriActive+ nozzle gently opens carpet pile for a deeper clean. Air channels at the front let large crumbs in and brushes at the sides clean closely along your furniture and walls.

## Allergy Filter

Our clean-air filter system creates a perfect seal and captures 99.9% of fine dust – including pollen, pet hair and dust mites – for allergy sufferers and anyone demanding a higher level of hygiene.

## Allergy Lock

Our Allergy Lock system uses a sensor to ensure the dust container is fully sealed and leak-proof before operating.

## Simple and tidy to empty

The dust container detaches with one hand and controls dust with its unique shape and smooth surface.

## Super Turbo brush

The Super Turbo brush allows deep cleaning of carpets, easily removing hair and fluff. The rotating brush inside the nozzle actively removes small dust particles and pet hair, resulting in a better cleaning performance. The wheels of the nozzle prevent damage in case of use on hard floors.

## Onboard accessories

Onboard accessories for always at hand accessories

## Integrated soft brush

Soft brush integrated into handle for easy access

# Specifications

## Performance

- Dust re-emission class: A
- Airflow (max): 41 l/s
- Input power (IEC): 1800 W
- Input power (max): 2100 W
- Sound power level: <79 dB
- Suction power (max): 420 W

## Usability

- Action radius: 10 m
- Carrying handle: Top and front
- Cord length: 7 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Electronic on appliance

## Design

- Color: Magic purple

## Filtration

- Dust capacity: 2 L
- Exhaust filter: Allergy filter
- Motor filter: Lifetime washable filter

## Nozzles and accessories

- Accessories included: Crevice tool, Small nozzle, Integrated brush
- Accessory storage: On board
- Additional nozzle: Super Turbo brush
- Standard nozzle: TriActive+ nozzle

## Sustainability

- Packaging: > 90% recycled materials
- Stand-by power consumption: < 0,5 W
- User manual: 100% recycled paper

## Weight and dimensions

- Dimensions of product (LxWxH):  
505x292x292 mm
- Weight of product: 5.5 kg
