

## The most natural way to bottle feed

### Natural latch on

Our Natural bottle with an ultra soft nipple more closely resembles the breast. The wide breast-shaped nipple with flexible spiral design and comfort petals allows natural latch on and makes it easy to combine breast and bottle feeding.

#### **Easy to combine breast and bottle feeding**

- Natural latch on due to the wide breast shaped nipple
- Soft nipple designed to mimic the feel of the breast
- Flexible spiral design combined with comfort petals

#### **Vents air away from your baby's tummy**

- Unique anti-colic Airflex vent technology

#### **Other benefits**

- Nipples with different flow rates available
- Compatible with the Philips Avent Natural range
- Get expert advice with uGrow

#### **Other essential accessories included in set**

- One piece, silicone Soothie helps calm babies
- Convert all Philips Avent bottles to food storage containers

# Highlights

## Natural latch on

The wide breast shaped nipple promotes a natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

## Ultra soft nipple

The nipple has an ultra soft texture, designed to mimic the feel of the breast.

## Flexible spiral design

Flexible spiral design, combined with our unique comfort petals to create a flexible nipple, allowing for a more natural feed without nipple collapse.

## Anti-colic vent technology

Our unique anti-colic Airflex vent technology was designed to reduce colic and discomfort, by venting air away from your baby's tummy.

## Choosing the right nipple

The Philips Avent Natural range offers different nipple softness and increasing flow rates for every development stage of your baby.

## Compatibility across the range

Mix and match our breast pump, bottle and cup parts, and create the product that works for you, when you need it!

## Team up with uGrow

Download the uGrow app to keep track of your baby's feeds, get expert advice and establish healthy routines.

## Silicone soothie

The silicone soothie helps calm your baby. It is used by medical professionals to calm newborns.

## Sealing discs

Used to convert all Philips Avent feeding bottles to breast milk and food storage containers
