

Philips Performer Active
Vacuum cleaner with bag

AirflowMax technology

TriActive+ nozzle
Hard floors nozzle
Remote control

FC8579/29

Full performance for a deep clean

Hygienic cleaning with AirflowMax

The new Philips Performer Active vacuum cleaner delivers full cleaning performance with hygienic dust removal. AirflowMax technology keeps the suction power stronger for longer*. The TriActive+ nozzle removes dust efficiently on all floors.

Remarkable cleaning results

- High performance with 3AAA energy ratings
- Revolutionary AirflowMax technology for strong suction power
- New 3-in-1 TriActive+ nozzle picks up coarse and fine dust

Maximum convenience

- 4L dust capacity for longer cleaning
- ActiveLock couplings to easily adjust to each cleaning task
- Integrated brush for ultimate convenience
- Remote control for no bend, with IR wireless technology
- Soft bumper for easy gliding along furniture and walls

Hygienic cleaning

- Allergy filter captures more than 99.90% of fine dust
- ECARF allergy-friendly quality tested
- s-bag Classic Long Performance lasts up to 50% longer

PHILIPS

Highlights

3AAA Energy rating

Engineered to achieve full performance with an A rating for energy efficiency, A on hard floor cleaning performance and A on dust re-emission.

AirflowMax technology

The unique AirflowMax technology keeps the suction power stronger for longer* to use the bag to the very end. The technology is built around the optimization of three key elements: 1) Unique ribs profile inside the dust chamber to maximize airflow around the dustbag and enable the use of the entire bag surface. 2) Specially designed dust chamber capacity that allows the dustbag to fully unfold uniformly. 3) High quality, non-clogging fibre structures in the dustbag absorb dust without blocking the pores, thus avoiding a reduction in suction power.

TriActive+ nozzle

The TriActive+ nozzle applies 3 cleaning actions in one go: 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front. 3) It sweeps up the dust and dirt alongside furniture and walls with its two side brushes.

4L dust capacity

The specially designed 4L dust chamber allows you to make optimal use of your dust bag, so you can clean for longer.

ActiveLock couplings

The ActiveLock couplings allow you to easily connect and disconnect the different nozzles

and accessories from the telescopic tube while cleaning.

Integrated Brush

The vacuum cleaner is designed with integrated accessories, so that you do not need to carry extra pieces around while you clean. The soft dusting brush is conveniently integrated in the handle of the appliance, always ready to use.

Remote control

With the new remote control feature, you can switch the vacuum cleaner on/off or adjust the suction power settings without returning to the canister and interrupting your cleaning. The control buttons are conveniently located on the handle and the signals are sent to the canister via Infrared wireless technology. For a more comfortable and easier cleaning.

Specifications

Performance

- Energy efficiency rating: A
- Dust re-emission class: A
- Carpet cleaning class: C
- Hard floor cleaning class: A
- Airflow (max): 32,17 l/s
- Annual energy consumption: 27 kW h
- Input power (IEC): 650 W
- Sound power level: 77 dB
- Vacuum (max): 17,5 kPa

Usability

- Action radius: 9 m
- Carrying handle: Front
- Cord length: 6 m
- Tube type: Metal 2-piece telescopic tube
- Wheel type: Rubber
- Tube coupling: ActiveLock
- Power control: Remote control

Design

- Color: Full red

Filtration

- Dust bag type: s-bag Classic Long Performance
- Dust capacity: 4 L
- Exhaust filter: Allergy filter
- Motor filter: Microfilter

Nozzles and accessories

- Accessories included: Crevice tool, Integrated brush
- Additional nozzle: Hard floor nozzle
- Extra accessories: Remote control
- Standard nozzle: TriActive+ nozzle

Sustainability

- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Weight and dimensions

- Dimensions of product (LxWxH):
447x304x234 mm
- Weight of product: 5,2 kg
