

Philips PerfectCare
Compact
Steam generator iron

Max 5.3 bar pump pressure

Up to 250 g steam boost
1.5 L water tank capacity
Carry lock

GC7805/21

Iron faster with 2x more steam*

Our most compact steam generator

Powerful, continuous steam makes fast work of all your ironing - without any need to adjust temperature thanks to our OptimalTEMP technology. Compact and lightweight for easy use and storage.

Compact technology

- Large tank for long use
- Lightweight and compact for easy use and storage
- Carry lock for safe and easy transport

Fast ironing with continuous powerful steam

- Save energy with ECO mode
- Built-in easy clean system for lasting performance
- SteamGlide soleplate – superior gliding & scratch resistance
- Powerful steam for ultimate crease removal

No temperature setting needed, guaranteed no burn

- Independently tested and approved
- Safe on all ironable garments, no-burns guaranteed
- OptimalTEMP technology, no temperature settings required

PHILIPS

Highlights

1,5L water tank

A 1.5-liter transparent tank gives you 1.5 hours of continuous use. See clearly how much water is left and refill easily under the tap through the large filling door.

Approved by experts

The Woolmark Gold seal of approval ensures a product is safe to use on any and every wool fabric. Our steam irons with OptimalTEMP technology are the first and only irons, from any brand, to earn this level of certification.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board. Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Energy saving

Save energy and get the same great results. ECO mode reduces your energy consumption for garments that require less steam.

No burns – guaranteed

Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric. You can even leave it resting face down on your clothes or ironing board. No burns, no shine. Guaranteed.

No temperature setting needed

Iron everything from silk to jeans without adjusting the temperature. Thanks to OptimalTEMP, no dial or settings are needed. So there's no more pre-sorting the laundry, or waiting for the iron to heat up and cool down. You're ready for any fabric, anytime.

Safety carry lock

Lock your iron securely to the base station for easy carrying around the house and to reduce the risk of accidentally touching the hot soleplate.

Smart descaling

Keep steaming as strong as ever and extend the life of your iron with Smart Calc Clean, our built-in descaling and cleaning system. The iron will let you know when it's time to be cleaned.

SteamGlide soleplate

Our exclusive SteamGlide soleplate moves smoothly over any fabric. A durable, 5-layer coating – including anti-corrosive base – makes it last longer. Non-stick, scratch-resistant and easy to keep clean.

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Specifications

Technology

- For all ironable fabrics
- No burn
- No temperature setting needed
- OptimalTEMP Technology
- ProVelocity steam engine
- Smart Control Processor

Fast crease removal

- Continuous steam: Up to 120 g/min
- Power: 2400 W
- Pressure: max 5.3 bar pump
- Ready to use: 2 min
- Steam boost: Up to 250 g
- Steam-on-demand
- Variable steam levels
- Vertical steam
- Voltage: 220-240 V

Easy to use

- Safe on all fabrics: Even delicates like silk
- Soleplate gliding performance: 4 stars
- Soleplate name: SteamGlide
- Water tank capacity: 1500 ml
- Auto steam stop
- Cord freedom (swivel): 180 degree cord freedom
- Hose length: 1.6 m
- Integrated power plug
- Power cord length: 1.8 m
- Precision steam tip
- Ready to use: Light indicator, Sound indicator
- Refill any time during use
- Safety auto off
- Soleplate scratch resistance: 4 stars
- Tap water suitable

Scale management

- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Accessories included

- Calc clean container

Size and weight

- Packaging dimensions (WxHxL): 23 x 27.5 x 39.3 cm
- Product dimensions (WxHxL): 19.3x22.3x37.3 cm
- Total weight with packaging: 3.85 kg
- Weight of iron: 1.2 kg
- Weight of iron + base: 2.95 kg

Guarantee

- 2 year worldwide guarantee

Green efficiency

- Energy saving mode
- Energy saving*: 30 %
- Recycled plastic used: 30 %
- User manual: 100% recycled paper
