

EB-990U

DATASHEET / BROCHURE

Tick all the boxes with this bright and scalable WUXGA projector that offers multiple connectivity solutions and is simple to set up.

Maximise your students' potential with this bright Full HD projector that's capable of producing a large and scalable screen size. It's long-lasting lamp provides up to ten years' worth of lessons before a replacement lamp is required or the air filter needs attention¹. It's easy to set up and offers a range of connectivity solutions, so you can quickly access content from multiple devices.

Excellent visibility for every student

With this Full HD projector content will be bright, vivid and clear ensuring that everyone can engage with the lesson. Providing excellent visibility, this projector is scalable up to 300 inches and is bright even in high ambient lighting conditions. It's all thanks to the high 3,800-lumen output and 15,000:1 contrast ratio.

Minimal maintenance

When resources are limited, our reliable projectors and long-lasting lamps help to eliminate downtime and unnecessary service costs. Imagine what you could achieve with minimal interruptions - our projectors help to make that a reality with up to 10 years' worth of lessons before a replacement lamp is required or the air filter needs attention¹.

Easy set up

Every classroom is different so you need a projector that is simple to set up and position. With our wide 1.6x optical zoom and vertical/horizontal keystone correction, it's easy to get up and running quickly.

Utilise multiple devices

Capture your students' attention and nurture a collaborative environment with hassle-free connectivity solutions. With the iProjection app, it's easy to display content from PCs and smart devices². The split-screen function can be utilised to show content from multiple devices simultaneously, while the moderator function lets you review content before it is displayed.
