

19" Corner Wallmount Cabinet

6U, Assembled, 600 mm (23.62 in.) Depth, Black

Part No.: **714723**

Intellinet wall mount cabinets offer a flexible and comprehensive solution for network installations. Our service starts with the shipping condition — get the completely assembled cabinet delivered or save space and money with the flat-pack version. In terms of housing, choose from among the extra-compact 10" cabinets and numerous 19" versions with installation depths that range from 300 to 600 mm. Heights range from 6 to 20 units in Black RAL9005 or RAL7021 & Gray RAL7035. We have a solution for every need.

Various options include:

Removable side panels (some lockable)

Tempered/Toughened glass doors

Double-Section construction, making cabling and component exchange simple

In material and workmanship, the top quality we provide includes a cold-rolled steel frame, zinc-plated 19" mounting rails and antistatic powder coating on all panels.

Features:

- Ideal for 19" rackmount applications
