

USB battery pack

- 5,200 mAh

DLP5205U/37

USB battery pack

1 USB port battery pack with built in flashlight

Don't get stuck without a charge. This travel-ready battery pack extends the life of your devices when your charge is running low. The compact design includes a single USB port, with a charging rate of 2.1 amp.

Benefits

Portable power

- Recharge your devices multiple times on the go
- Works with USB-based devices

Confirm operation at a glance

- Power-indicator light to confirm status at a glance

Smart design

- Bright LED provides light when you need it

Smart protection

- Battery protection and short circuit protection

Features

Power-indicator light

The power LED light appears with the push of a button to let you know the power status of your battery pack at a glance.

Recharge multiple times

This portable power source gives you the extra power for more than two full recharges on the go. Take it with you when you travel to have back-up power when you need it.

PHILIPS

Works with USB-based devices

The universal unit has a USB connection for use with your USB-based device via the device's USB cable which you already own or can purchase separately.

Smart protection

Battery protection and short circuit protection

Flashlight feature

Bright LED provides light when you need it
