Benefits

Designed for outdoors

- High-quality aluminium and superior synthetics

Special characteristics

- Weather-proof

Enjoy your outdoor life

- Create a stylish and welcoming atmosphere

Features

High quality material

This Philips lamp is made specifically for outdoor spaces. It's hard-wearing and built to last, so it will light up your garden night after night. It's constructed from high-quality die-cast aluminium and superior synthetics.

Weather-proof

This Philips outdoor lamp is specially designed for humid outdoor environments and has undergone rigorous tests to ensure its water resistance. The IP level is described by two figures: the first one refers to the protection level against dust, the second against water. This lamp is designed with IP44: it

PHILIPS

is protected against splashing water. This product is most common and ideal for general outdoor use.

Create a stylish atmosphere

This outdoor wall light is designed around the latest trends and lifestyles to blend effortlessly into your outdoor space and define the ambience you have always desired.
