Highlights

For Star Wars fans

This Philips and Star Wars light for your bedroom creates an environment that encourages you to indulge in adventurous and epic adventures. A place where you can study, relax and sleep accompanied by your favourite Star Wars character. This light is designed to be safe for you.

For your desk

This lamp for your bedroom fits perfectly on a desk. It sheds a cool white light, which is ideal for reading a book or doing some homework. Close at hand and easy to switch on, it makes you feel safe and comfortable at night.

High quality LED light

The LED technology integrated into this Philips lamp is a unique solution developed by Philips. It turns on instantly, enables an optimal light output and brings out vivid colours in your home.

Warm white light

Light can have different colour temperatures, indicated in units called Kelvin (K). Lights with a low Kelvin value produce a warm, more cosy light, while those with a higher Kelvin value produce a cool, more energising light. This light offers warm white light for a cosy atmosphere.
