winner

# Highlights

## Unique OneBlade Technology

The Philips Norelco OneBlade has a revolutionary new technology designed for men who wear facial styles and grow beards. It can trim, edge and shave any length of hair. Its dual protection system – a glide coating combined with rounded tips – makes shaving easier on your skin. At the same time, its shaving technology features a fast-moving cutter (200x per second). This unique combination gives you a shave that's both efficient and comfortable – even on longer hairs. OneBlade doesn't shave as close as a traditional blade – so your skin stays comfortable.

## Trim it down

Trim your beard to a precision stubble length with one of the included 3 stubble combs. 1mm for a 5 o'clock, 3mm for a tight trim, and 5mm for a long stubble.

## Edge it up

Create precise edges with the dual-sided blade. You can shave in either direction to get great visibility and see every hair that you're cutting. It stays comfortable even in sensitive areas, so it's fast and easy to line up your style in seconds.

## Shave it off

OneBlade doesn't shave as close as a traditional blade – so your skin stays comfortable. Go against the grain and shave off any length of hair easily.

## Contour following

OneBlade follows the contours of your face allowing you to effectively and comfortably trim and shave all areas of your face.

## Dual-sided blade

OneBlade follows the contours of your face, allowing you to easily and comfortably trim and shave all areas. Use the dual-sided blade to style your edges and create clean lines by moving the blade in any direction.

## 3 click-on stubble combs

Attach one of the click-on combs to get the even stubble length you want.

## Durable OneBlade

The blades are designed for lasting performance. For optimal performance, you will only need to replace each blade every 4 months\*. Replacement is easy and hassle free.

## Wet & dry

OneBlade is water resistant, so it is easy to clean: just rinse it under the tap. You can also shave with or without foam – whichever you prefer.

# Specifications

## Trimming & shaving performance

**Shaving system:** Contour-following technology, Dual protection system

**Trimming system:** Contour-following technology

## Accessories

**Comb:** 3 stubble combs (1, 3, 5 mm)

**2 bonus replaceable blades**
