## Highlights

### Saves up to 80% energy

This bulb uses up to 80% less energy than traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

### Reliable quality

Philips keeps its promises about lamp performance. You can trust what the Philips packaging is saying about light output, lifetime and wattage equivalent to incandescent lamps.

### Extra brightness

Brighter usually means more power, and a brighter life comes at a price. Philips energy-saving lamps give you more light without requiring more power.
