

Samsung Printer Xpress M3015DW

Black & white laser printer delivering speed and mobile capability.

**Aim high.
Work hard.
And have the
right printer.**

Samsung Printer Xpress M3015DW

Black & white laser printer designed to make you look your best.

Complement all your ambition and talent with a printer that will make you look every bit as good as you are. The Samsung Printer Xpress M3015DW network and wireless black & white laser printer delivers world-class results, with the reliability Samsung is known for. With fast print speeds, innovative imaging technology, a 12,000-page duty cycle and a sleek design, the M3015DW promotes a professional image with every job you do.

Be More Productive

You'll speed through jobs at print speeds up to 31 ppm.

Get Print on Tap

Simply tap your NFC-enabled mobile device to the Samsung Xpress M3065FW printer to quickly and easily establish a Wi-Fi Direct™ connection, so you can print virtually any content from your smartphone or tablet.

Efficient

Print on both sides of the page with built-in duplex printing, and be even more efficient by using Eco mode to save on toner and paper.

Professional Image Quality

Samsung's ReCP image processing technology combines with our polymerized toner for sharp, crisp, high-resolution images. And the two-piece toner system means you can replace the toner and drum separately, for greater cost efficiency.

One-Touch Wireless Setup

Getting up and running with these wireless printers is simple. Just press the WPS (Wi-Fi Protected Setup™) button on your WPS-enabled router and the WPS button on the printer, and your printer will automatically configure and connect to your wireless network. So simple.

Easy Mobile Printing

Print from your iPhone®, iPad®, Windows® Phone or Android™ mobile device directly to the wireless printer. Just download our free Mobile Print app, and you can print without a computer.

Sleek, Professional, Silent Design

Samsung products are designed to impress with both their performance and their looks. And with a printing volume of less than 51 dBA, the M3015DW is the strong, silent type.
