Samsung Printer *Xpress*

M2825 | 2625 series

For your productivity

Business managers want a printer that offers low TCO and high productivity...

Produce professional-quality documents with increased print speeds and cost-saving features

Business managers want a printer that offers low TCO (total cost of ownership). However, these managers still want the high speed and professional-quality results and functionality offered by a large printer.

Samsung Xpress M2825 | 2625 series are ideal for every business environment because by using them, business can:

Produce complex, professional-quality documents with increased speed. The Xpress M2828 | 2625 series have high print speeds of up to 28 ppm¹ (pages per minute) with 128 MB memory for A4-size documents. Samsung's ReCP (Rendering Engine for Clean Pages) technology produces sharp text and clear images on a range of media sizes and weights.

Lower TCO by avoiding excessive printing costs. Eco Solution with One Touch Eco Button and Easy Eco Driver can help reduce paper, toner, and energy consumption. High yield toner cartridges aid in lowering the total cost of ownership (TCO).

Improve productivity and flexibility by reducing complexity. Easy Printer Manager for smooth printer operation and convenient mobile printing² options are available.

Increase print quality with a high-powered processor and high-speed printing.

Improve workflow and image with high-speed, professional-quality printing

High speed printing and image processing

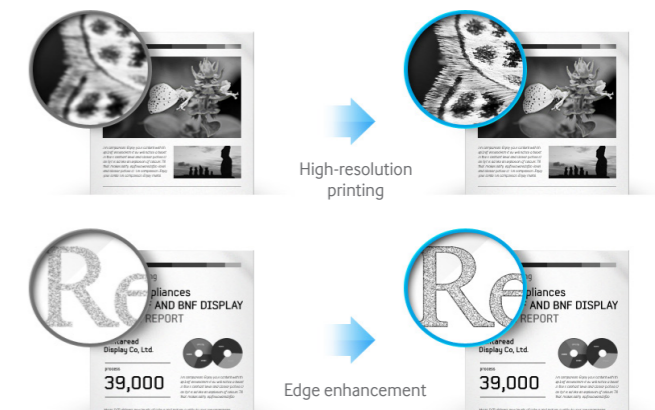

Businesses can accelerate workflow with the high-speed Xpress M2825 | 2625 series. The Xpress M2625 series deliver print speed of 26 ppm in A4 and the M2825 series deliver print speed of 28 ppm in A4. These robust printers are designed to handle large, complex print jobs with Samsung's advanced 600 MHz Cortex™-A5 core processor and 128 MB memory.

Samsung Xpress printers help businesses print complex documents more quickly, easily and efficiently with professional-quality results.

Sharp & professional document quality

ReCP technology improves readability of printed documents by enhancing thin lines and sharpening the edges of negative text. The Xpress M2825 | 2625 series deliver sharp, solid with effective output print resolutions of up to 4,800 x 600 dpi.

Diverse printing choices for professional documents

The Xpress M2825 | 2625 series are built to handle a wide range of media types. Businesses can produce flyers and other collateral, even on heavier media, such as 220 gsm cardstock, for professional-looking results.

Lower operating costs with efficient, eco-friendly printing options.

Cut costs while lowering energy and toner usage

Professional eco solution

The Xpress M2825 | 2625 series are equipped with Eco Solution, a suite of energy-reducing features, including the One Touch Eco Button with the Samsung Easy Eco Driver.

One Touch Eco Button

Businesses can lower toner and paper usage with the One Touch Eco Button. The One Touch Eco Button automatically activates 2-up printing (two pages on the same side) and duplex printing³ (printing on both sides). Users can also choose the option to skip blank pages in toner saving mode. These eco settings can be adjusted using Easy Printer Manager.

Easy Eco Driver

Easy Eco Driver software, granted the 2012 Outstanding Achievement in Innovation award from Buyers Laboratory (BLI), saves users up to 20 percent on toner. The software also reduces energy consumption. Users have the option of removing images, converting them from bitmap to sketch, and removing text to save toner using the toner saving mode.

Low total cost of ownership

Samsung high-yield toner cartridges are designed for longevity, helping businesses reduce TCO. A starter toner and standard-yield toner cartridges can yield 1,200 standard pages, and a high yield replacement toner cartridge can yield 3,000 standard pages. Businesses with light printing capacity can choose the Xpress M2825 | 2625 series with standard, separated toner cartridge for lower overall printing costs. This separated toner system features a separate toner cartridge and an imaging unit, enabling either part to be replaced when necessary.

Samsung Eco-Driver earned the 2012 "Outstanding Achievement" Award from Buyers Lab, Inc.

Perform printing tasks more easily using Easy Printer Manager.

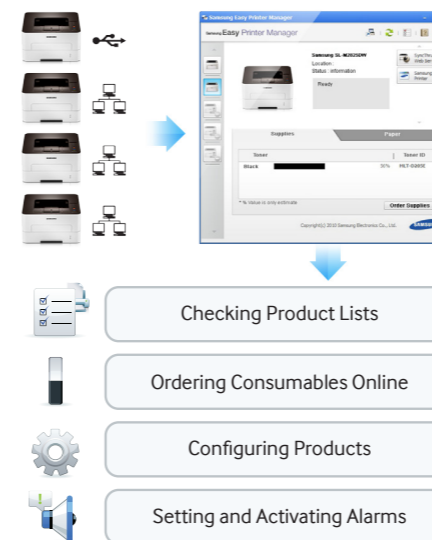

Manage, maintain and connect printers to mobile devices with features designed for ease of use

Easy management of printers and software

Toner replacement in the Xpress M2825 | 2625 series are designed to be quick and easy. Featuring a top-load, slide-out drawer, toner replacement requires as few as four steps to accomplish.

Easy Printer Manager helps companies remotely control settings, such as the One Touch Eco Button features. Multiple devices can be monitored and managed using Easy Printer Manager. Businesses can also monitor printer status, such as error messages, including paper empty, toner empty and paper jam alerts.

Convenient mobile printing optimized for various business environment

Samsung MobilePrint application helps employees wirelessly print from their mobile devices. Users do not need to install a new driver. Office workers can simply download the MobilePrint application from the Google® Play store for Android™ and the Apple Store® for iOS®. After downloading the application, the mobile device automatically detects nearby, compatible Samsung Printers. The Xpress M2825 | 2625 series can handle almost any type of file, including text documents, images and web pages.

Users can also access printers from a Google account using the Google Cloud Print™. Emails, photos, PDF files and SNS messages, such as Facebook® and Twitter® posts, can be printed or shared. Google Cloud Print™ works on smartphones, tablets, notebooks, PCs and other web-connected devices.

With Samsung wireless connectivity, users can print directly from mobile devices without the need to connect through a PC.

Conclusion

Ideal for cost-conscious, performance-driven businesses Xpress M2825 | 2625 series provide cost efficiency, performance and ease of use to reduce TCO and help companies achieve optimal productivity.

A high-powered 600 MHz Cortex-A5 processor, 128 MB of memory and print speeds of up to 28 ppm¹ help companies accelerate workflow.

ReCP technology helps businesses produce enhanced printing and scanning results. Businesses can print on heavy media, including labels and cardstock.

Samsung Xpress M2825 | 2625 series reduce TCO and environmental impact at the same time. The One Touch Eco Button enables 2-up and duplex printing³, toner save mode and skipping blank pages, with just one click. The Samsung Easy Eco Driver software also decreases costs by using 20 percent less toner

Designed for ease of use, Samsung Xpress M2825 | 2625 series are a smart choice for cost-minded businesses. With Easy Printer Manager and mobile printing² features, these robust printers provide the same flexibility, productivity and high-quality output found in printers designed for every businesses, yet with lower TCO.

Features and benefits

Features	Benefits
600 MHz Cortex-A5 core processor and 128 MB memory	Process complex and heavy professional print jobs fast.
ReCP technology	Improve readability of text and produce clearer images on printed documents.
Various media handling	Produce professional-looking results with the ability to print various media types of multiple sheets of heavyweight material, including labels, cardstock and envelopes.
One Touch Eco Button	Save paper by using duplex printing ³ , skipping blank pages or N-up printing. Reduce toner usage by using the toner saving mode.
Easy Eco Driver	Save up to 20 percent on costs by reducing paper and toner usage.
High-yield toner options	Reduce CPP and optimize toner output with starter toner cartridge and standard toner cartridge yielding 1.2K pages, and high-yield replacement toner cartridge of 3.0K pages.
Easy Printer Manager	Monitor printer performance and status from PCs.
Easy toner replacement	Replace toner cartridges in as few as four steps.
MobilePrint options	Print from mobile devices ² .

1. Print speed of 26 ppm is available on M2625, M2625D models only. Print speed of 28 ppm is available on M2825ND and M2825DW models only.
2. Mobile printing is available on M2825DW model only or M2825ND model if connected to a wireless router.
3. Duplex printing is available on M2625D, M2625ND, and M2825DW models only.
4. Google Cloud Print is available on M2825DW and M2825ND models only.

Configuration

Specifications

Model Code		Xpress M2625	Xpress M2625D	Xpress M2825ND	Xpress M2825DW	
General	Functions	Print				
	Processor	600 MHz				
	Memory	128 MB				
	Interface	Hi-Speed USB 2.0		Hi-Speed USB 2.0 / Ethernet 10/100 Base TX	Hi-Speed USB 2.0 / Ethernet 10/100 Base TX / Wireless 802.11 b/g/n	
	Power Consumption	400 W (Printing) / 45 W (Standby) / 0.9 W (Power Save)		400 W (Printing) / 45 W (Standby) / 1.0 W (Power Save)	400 W (Printing) / 45 W (Standby) / 1.3 W* (Power Save) *(Wi-Fi Direct on: 1.8 W)	
	Noise Level	Less than 50 dBA (Printing) / Less than 26 dBA (Standby)				
	Dimension (WxDxH)	368 x 334.5 x 202 mm (14.5" x 13.2" x 8.0")				
	Weight	7.2 kg (16.0 lbs)	7.4 kg (16.4 lbs)			
	Max. Monthly Duty Cycle	Up to 12,000 pages				
	Print	Speed (Mono)	Up to 26 ppm in A4 (27 ppm in Letter)		Up to 28 ppm in A4 (29 ppm in Letter)	
First Print Out Time (Mono)		Less than 8.5 seconds (From Ready Mode)				
Resolution		4,800 x 600 dpi effective				
Emulation		SPL (Samsung Printer Language)		PCL6 / PCL5e / SPL		
Duplex Print		Manual	Built-in			
Operating System		Windows 8 / 7 / Vista / XP / 2000 / 2008R2 / 2008 / 2003, Mac OS X 10.5 - 10.8, Various Linux				
Paper Handling		Input Capacity	Cassette	250-sheet		
	Multipurpose tray		1-sheet			
	Media Type	Cassette	Plain / Thin / Thick / Cardstock / Recycled / Archive / Bond			
		Multipurpose tray	Plain / Thin / Thick / Thicker / Cardstock / Transparency / Pre-Printed / Recycled / Archive / Bond / Label / Envelope / Thick Envelope / Cotton / Colored
