SECURE - World-class printer EFFICIENT-No more PC freezing up **ACCURATE-Make better decisions** protection with HP Wolf Pro Security with precise colors Adobe PDF drivers² free up your computer immediately after sending to Safeguard your device from attacks by Get bright color and bold image qualityvalidating the integrity of your firmware print-even for the most complex files. even on plain papers-with HP Bright and BIOS with Allowlisting and HP Secure Office Inks. No interruptions-with two rolls, you can Boot. reduce roll changes, double capacity, and Reproduce transparencies, layers, color help switch paper types. Control who accesses the printer and its palettes, and gradients with embedded Handle complex files—powerful processing architecture¹, 128 GB memory⁴, 500 GB HDD at 116 A1/D pgs/hr. confidential documents with secure user Adobe PDF Print Engine. • authentication. Tuned profiles reproduce distinct shades of color; color/gray/photo black inks make Keep your fleet secure at any time with HP Security Manager³. soft colors, dark tones. Easily print project sets and PDF documents with HP Click printing Accurately display data-high-density software. printheads provide 2400 nozzles per inch, enabling 0.1% line accuracy.⁵

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds

Messaging Footnotes

¹Refers exclusively to file processing capabilities for complex files, and does not refer to print speed. ²Requires purchase of HP DesignJet T1700 PostScript[®] models or optional HP DesignJet PostScript/PDF Upgrade Kit. The Adobe PDF Print Engine (APPE) is Adobe's high speed, high fidelity print platform. Version 4 extends APPE's leading edge for print reproduction with new performance efficiencies and breakthrough rendering features. APPE 4 enables printers to increase workflow efficiency and capitalize on the profit potential of innovations in inkjet print technology. To learn more, visit https://www.adobe.com/products/pdfprintengine.html

³ HP Security Manager must be purchased separately. To learn more, please visit hp.com/go/securitymanager ⁴ Based on 4 GB DDR3 RAM.

⁵±0.1% of the specified vector length or ±0.2 mm (whichever greater) at 23°C (73°F), 50-60% relative humidity, on A0/E printing material in Best or Normal mode with HP Matte Film and HP Bright Office Inks.
