- Control who accesses the printer and its confidential documents with secure user authentication.
- Keep your fleet secure at any time with HP Security Manager³.

EFFICIENT—No more PC freezing up

- Adobe PDF drivers² free up your computer immediately after sending to print—even for the most complex files.
- No interruptions—with two rolls, you can reduce roll changes, double capacity, and help switch paper types.
- Handle complex files—powerful processing architecture¹, 128 GB memory⁴, 500 GB HDD at 116 A1/D pgs/hr.
- Easily print project sets and PDF documents with HP Click printing software.

ACCURATE—Make better decisions with precise colors

- Get bright color and bold image quality—even on plain papers—with HP Bright Office Inks.

- Tuned profiles reproduce distinct shades of color; color/gray/photo black inks make soft colors, dark tones.
- Accurately display data—high-density printheads provide 2400 nozzles per inch, enabling 0.1% line accuracy.⁵
