

Irlen Pukka Pads – colour paper

Part codes: *See below for variants*

A4 Pads of coloured paper designed to assist with visual perception

Description

A range of A4 ruled coloured notepads that aid visual perception difficulties with the use of formulated coloured paper. Featuring 80gsm high quality paper with tinted ruling with margin to further aid visual difficulties.

The pads are available in a selection of colours specifically designed for people who find it difficult or distracting to write on bright white paper. Suitable for people with dyslexia, scotopic sensitivity, or Irlen's syndrome. The pads are tape bound at the head for easy removal of pages, with 50 sheets (100 pages) per pad. 4 hole punched. Supplied in packs of 10 pads

Features

- Available in Turquoise, Green, Parrot, Gold, Lavender and Rose
- 80gsm paper with rules and margins
- 4 hole punched
