- 5 steam settings for different kinds of fabric
- Hang&Lock keeps your hanger securely in place
- Easy Rinse descaling for years of effective use

Reliable and safe

- Safe on all ironable fabrics, no burns guaranteed
- Automatically switches to standby mode for peace of mind

PHILIPS

Highlights

Refresh with MyEssence

Our innovative MyEssence fragrance infuser lets you refresh clothing with your favorite scents anytime you choose.

99.9% bacteria-free*

Hot steam refreshes your clothes and kills up to 99.9% of bacteria*. Less frequent washing and dry cleaning saves time and money, and helps clothes last longer.

Powerful continuous steam

Powerful continuous steam for fast crease removal

Extra-long StyleBoard

An extra long StyleBoard provides reliable support during steaming. Simply press the fabric between the steam plate and board for

easier steaming with crisp results from top to bottom.

FlexHead technology

Innovative FlexHead technology lets you steam the bottom of garments easily, with less bending and kneeling. The flexible steam plate ensures maximum contact with the fabric so less steam escapes for efficient results.

5 steam settings

Set your preferred steam setting for optimal results on different fabric. Use low steam for thinner fabrics and a more powerful setting for thicker fabrics and coats.

Hang&Lock

Our unique Hang&Lock feature holds your clothes hanger in place for convenient

steaming. It prevents the hanger from swinging or falling off.

Easy Rinse descaling

Prolong the lifetime of your appliance by using the Easy Rinse descaling function regularly.

Safe on all ironable fabrics

The steamer is safe to use on all ironable fabrics and garments. The steam plate can be safely pressed against any clothing with no risk of burning – a great solution for delicate fabrics, like silk.

Auto shut off

The steamer automatically switches to standby mode when the water tank is empty, so you have peace of mind even if you forget to switch it off.

Specifications

Technology

- MyEssence fragrance caps
- FlexHead

Fast crease removal

- Continuous steam: up to 40 g/min
