PHILIPS

Highlights

Water level indication

Fill the water tank easily and precisely with the water level indication.

Drip-stop

The drip stop allows you to pour a cup of coffee before the full brewing cycle is finished.

Dishwasher-safe parts

The jug and filter holder can be easily cleaned in the dishwasher.

LED power switch

The red light on the switch button illuminates when the coffee maker is switched on.

Swing filter holder

The filter holder is opened by swinging it to the side, which makes it easy to fill up with coffee. The filter holder is also detachable for easy cleaning.

1.3 l for 10 - 15 cups

The jug of this coffee maker will hold 1.3 l of coffee, enough for 10 to 15 cups - depending on your cup size.
