

MASSIMO01B

MASSIMO Wireless Bluetooth Speaker, black

The Conceptronic Wireless Action Speaker is a Bluetooth multimedia speaker that connects wirelessly to a Bluetooth mobile phone, PDA, laptop or PC. It is an ultra-large magnetic circuit high-sensitivity speaker with high penetrating power, low-frequency shock and perfect medium/high-frequency representation. Supports microphone input and microphone-input recording to act as your personal assistant for party or business use. The speaker can also record your favorite AUX sound source. Light enough to be easily carried with the included shoulder strap, this is the perfect companion for outdoor activities such as BBQs, camping, picnics or the beach.
