- Wet and Dry for use in and out of the shower

Beautiful skin
- Gentle treatment for your skin

Thorough results
- Choose the right speed according to your needs
- For best results, replace disc every six months

Highlights

Unique rotating disc

The unique rotating disc with ultra-precision edge gives you smooth feet from heel to toe. The rotating disc and precision edge allows you to remove calluses in a precise, effortless and gentle way for both large and smaller areas.

Gentle treatment for your skin

Gentle treatment for your skin thanks to the natural mineral corundum infused in the disk.

Wet and Dry

For wet and dry usage.

2 speed settings

Speed 1 for extra effective callus removal.
Speed 2 for gentle callus removal.

Replace disc every 6 months

For best results, we recommend replacing the disc every six months.
