

MPN: CABLEEATER25B

CABLEEATER25B - 20m

The Cable Eater 25mm Black 20-meter (CABLEEATER25B) offers a professional and efficient solution for managing and protecting your cables. This cable management tool provides a clean and organized workspace by concealing unsightly cables. With a diameter of 25mm and a generous 20-meter length, it's ideal for various applications, from home entertainment setups to office environments. MicroConnect's Cable Eater not only enhances aesthetics but also safeguards cables from wear and tear, extending their lifespan. Built with quality materials and European design standards, this cable protector is a testament to MicroConnect's commitment to providing innovative and reliable connectivity solutions, reflecting over 20 years of industry expertise.
