

MPN: HDM19F19M

HDMI Angled 180° Adapter

The HDMI Angled 180° M/F Adapter (HDM19F19M) offers a practical solution for connecting HDMI cables in tight spaces. This adapter features a male HDMI connector on one end and a female HDMI connector on the other, with a 180-degree angle that allows for flexible cable management behind TVs, monitors, or other devices. Ideal for situations where space is limited or where a standard straight connection puts undue stress on the cable, this adapter ensures a secure and reliable connection. MicroConnect provides premium quality connectivity solutions, and this adapter exemplifies our commitment to innovation and problem-solving in cable management, providing a clean and organized setup.

- Gold-plated connectors
- 180° free rotation
