HP Pavilion Notebook 15-bc303na

Power your passion

Get ready to unleash your inner content-creating, media-craving, game-crushing potential, because this Pavilion Laptop was built to handle everything you've got. With turbocharged performance you can go from immersive streaming sessions to lag-free video editing, and do it all from wherever you want.

A creative powerhouse
Bring your biggest, boldest ideas to life or multi-task like a master with NVIDIA® GTX™ discrete graphics and the latest quad-core Intel® processor[1].

Love what you see
Whether you're editing videos, watching your favorite movie, touching up photos or just playing games, every detail pops on the vibrant FHD[2] or 4K display[3] with IPS on selected models.

A truly powerful audio experience
With dual HP speakers, HP Audio Boost, and custom tuning by the experts at B&O PLAY, you can experience rich, authentic audio. Let the sound move you.

[1] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. [2] Full high-definition (FHD) content is required to view FHD images. [3] 4K content is required to view 4K images.

HP Pavilion Notebook 15-bc303na

Featuring

Low battery? No problem.
When every moment is precious, HP Fast Charge gets you up and going to 50% in approximately 30 minutes. Connect your powered down device and charge up your battery at lightning-fast speeds.[18]

A truly powerful audio experience
HP with Audio by B&O PLAY delivers rich, authentic audio custom-tuned in collaboration with sound experts at Bang & Olufsen. Don't just listen—let the immersive experience of HP with Audio by B&O PLAY move you.

Crisp sound. Big volume.
HP Audio Boost enhances your audio experience with smart amplification technology giving you loud, clear and dynamic sound.

Capture everyone in the room
The 88-degree, wide-angle field of view lets you video chat with the entire family or the whole boardroom in crystal-clear detail thanks to the advanced BSI Sensor in this HP Wide Vision HD Camera.
