

MPN: KON503B

Strain Relief Boot for RJ45 Black, 50pcs

The KON503B Strain Relief Boot for RJ45 in Black provides essential protection and longevity for your network cable connections. This pack of 50 high-quality boots is designed to fit standard RJ45 connectors, preventing cable bending and stress at the connection point. By minimizing wear and tear, these boots help maintain signal integrity and reduce the risk of connection failures. MicroConnect's RJ45 strain relief boots offer a simple, cost-effective solution to extend the life of your network cables, ensuring reliable performance in demanding environments. Trust MicroConnect's 20+ years of expertise to protect your valuable network infrastructure with these durable and easy-to-install boots.
