

Expand your paper handling and finishing options

Increase productivity

Expand your device's input capacity and paper handling capabilities by adding one or more compatible input trays.

Let high-volume print jobs handle themselves and spend less time loading and reloading paper. Options include a 2,100-sheet high capacity feeder, a wheeled stand that helps you relocate the MFP, and a cabinet to store supplies.

Automatically sort output by type or user with a multi-bin mailbox accessory. Print professional, finished reports or presentations quickly and effortlessly with a stapler/stacker accessory. Efficiently print stacks of postcards for office mailings or marketing campaigns with a 550-sheet paper feeder with adjustable paper guides.
