

HP ProOne 440 G3 23.8-inch Non-Touch All-in-One PC

The sleek and powerful HP ProOne 440 23.8-inch diagonal AiO PC is designed to let you work and collaborate from one device, and it helps optimize your work area with flexible deployment options and built-in cable management.

HP recommends Windows 10 Pro.

- Windows 10 Pro¹
- 23.8" diagonal screen

Designed to get the job done

- Featuring a large 23.8-inch diagonal FHD screen, this sleek AiO provides plenty of viewing space to complete your most important tasks in a variety of settings. Easily deploy this AiO from the front desk to the back offices.

Powerful features

- Power through your day with new high-performance 7th Gen Intel® Core™ i3/i5/i7 processors², up to 16GB DDR4³ memory and optional discrete graphics³.

Effective collaboration

- Communicate naturally with your PC using Cortana on Windows 10 Pro¹ and collaborate clearly with others online using HP Noise Cancellation and a 1MP HD webcam.

Featuring

- Power through your day with Windows 10 Pro and the powerful HP ProOne 440 AiO with built-in security, collaboration, and connectivity.
- Look smart and work smarter, thanks to a stylish design offering an open frame easel stand for placement on your desk or optional VESA wall mount. It's the perfect way to meet your needs—and your budget.
- Simple and effective video and audio conferencing is easy with this AiO with integrated webcam, single headphone and microphone jack, and B&O Play to provide crisp clear audio.
- Management is a breeze with HP Support Assistant.
- Audio connections are easy with the combination headphone / microphone jack that supports mic in and headphones with the same connector.

Product number: UE379E

Messaging Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.
- ² Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.
- ³ Sold separately or as an optional feature.
- ⁴ HP Support Assistant requires Windows and internet access.

Technical Specifications Footnotes

- ¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.microsoft.com>.
- ² This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 10 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
- ³ Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows® 8 or Windows 7 operating system on products configured with Intel and AMD 7th generation and forward processors or provide any Windows® 8 or Windows 7 drivers on <http://www.support.hp.com>
- ⁴ Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
- ⁵ Full availability of 4 GB or more of memory requires a 64-bit operating system. With Windows 32-bit operating systems, the amount of usable memory is dependent upon your configuration, so that above 3 GB all memory may not be available due to system resource requirements.
- ⁶ For storage drives, GB = 1 billion bytes, TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30GB of system disk is reserved for system recovery software.
- ⁷ Card sold separately
- ⁸ Wireless access point and Internet service required and not included. Availability of public wireless access points limited.
- ⁹ Bluetooth function is disabled via BIOS and cannot be enabled by user.
- ¹⁰ HD content is required to view HD images
- ¹¹ Full High Definition (FHD) content is required to view FHD images.
- ¹² All performance specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.
- ¹³ CyberLink PowerDirector and CyberLink Power Media Player: On 32/64GB systems (including Stream) PowerMedia Player and PowerDirector are excluded and a special lite version of WildTangent is used. CyberLink PowerMedia Player is only available if product ships with ODD.
- ¹⁴ HP ePrint driver: Requires an internet connection to HP web-enabled printer and HP ePrint account registration. For a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/businessmobileprinting.
- ¹⁵ EPEAT® registered where applicable. EPEAT® registration varies by country. See www.epeat.net for registration status by country.
- ¹⁶ External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
- ¹⁷ HP MIK is not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>
- ¹⁸ LANDesk subscription required.
- ¹⁹ All HP devices which carry the Bang & Olufsen brand are custom-tuned with Bang & Olufsen's acoustical engineers for precise sound experience in business use.
- ²⁰ Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.
- ²¹ HP Drive Lock is not supported on NVMe drives.
- ²² McAfee LiveSafe™: 30 day trial subscription. Internet access required to receive updates. First update included. Subscription required for updates thereafter.
