Datasheet **HP EliteDesk 705 G3 Microtower PC**

Scalable, powerful, business solution

The HP FliteDesk 705 delivers impressive value with uncompromising performance, security, and manageability. Customize your HP EliteDesk 705 with expandable options that provide an enterprise-class experience to meet virtually any business need.

HP recommends Windows 10 Pro.

- Windows 10 Pro
- AMD PRO A-Series APU²; AMD Ryzen Pro processors²

Pure performance and enhanced visual experience

Enjoy the powerful performance of the latest 65W AMD Ryzen™ 3 PRO and Ryzen™ 5 PRO CPUs² or amplify performance with the optional 95W AMD Ryzen™ 7 PRO CPU², ³ with up to 8 cores, 16 threads⁴, and high-end discrete graphics for immersive VR content.

Self-healing safeguard

 HP Sure Start with Runtime Intrusion Detection⁵ monitors in-memory BIOS, recovers the platform without user or admin intervention, restores the BIOS to a custom state, and is enterprise ready for centralized management.

Reliability for the long haul

• This work-ready PC is designed with platform stability up to 18 months for a long life cycle. Rest easy with a PC that passed 120,000 hours of testing and is designed to undergo MIL-STD 810G⁶ testing.

Fit user needs and the budget

• The latest AMD PRO A-Series APUs² with Radeon™ graphics deliver desktop performance optimized for diverse digital workloads and dependable daily productivity across your business.

Featuring

- Help secure the future of your modern business. Modern PCs from HP make the most of Windows 10 Pro¹ to protect you from today's security threats and maximize management and productivity features for business.
- Reduce the complexity of administration. HP Client Management Solutions⁷ and Dash v1.1⁸ allow easy management of your devices.
- Make the most of your portable devices with 10 total USB ports and an optional HP Tri-mode Wireless Charging Pad⁴.
- Launch Skype for Business™ meetings quickly with the optional HP Collaboration Keyboard⁴.
- Boot up fast and quickly transition between applications with an optional powerful HP Turbo Drive G2⁴.
- Help increase productivity by up to 35%⁹ with support for up to four external Elite Displays⁴
- Extend the life of your purchase. Using the tool-less chassis this easily upgradable platform features multiple bays, four expansion slots, ten USB ports and several connectors to help you meet growing demands.
- Help keep data safe and secure with dual storage RAID configurations¹⁰, TPM and SED hard drives.

Desktops	re Pack

HP EliteDesk 705 G3 Microtower PC

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com
² Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your

hardware and software configurations. AMD's numbering is not a measurement of clock speed.

³ Sold separately or as an optional feature on the HP EliteDesk 705 G3 MT expected availability Fall 2017. Sold separately or as an optional feature.

⁵ Available on HP EliteBook and HP EliteDesk products equipped with AMD 7th generation APUs

⁶ MIL-STD testina is bendina and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Damage under the MIL STD test conditions or any accidental damage requires an optional HP Accidental Damage Protection Care Pack

Reauires Windows.

⁸ Third party management software is sold separately. Dash certified and enterprise manageability gualified to work with MS SCCM and LANDesk.

'Observed Productivity, Efficiency and User Satisfaction when Using Multiple or Large Displays," Koala LLC Ergonomics Consulting, November 6, 2012.

¹⁰ RAID configuration is optional and does require a second hard drive

Technical specifications disclaimers

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.vindows.com

⁴ For hard drives and solid state drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 36 GB (for Windows 10) is reserved for system recovery software.

⁵ Duplication of copyrighted material is strictly prohibited. Actual speeds may vary.
⁶ Wireless access point and Internet service required and not included. Availability of public wireless access points limited.

⁷ Sold separately or as an optional feature.
 ⁹ Please refer to this product's quick spec document for a full list of preinstalled software

¹⁰ HP ePrint Driver requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter). ¹¹ EPEAT® registered where applicable. EPEAT registration varies by country. See www.epeat.net for registration status by country. See HP's 3rd party option store for solar energy accessory at www.hp.com/go/options.

¹² External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.
¹³ In accordance with Microsoft's support policy, HP does not support the Windows® 8 or Windows 7 operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows® 8 or Windows 7 drivers on http://www.support.hp.com

¹⁴ Supports HDMI 1.4b features.
¹⁵ Power On Authentication: HP commercial platforms support password with this feature and fingerprint where applicable.

¹⁶ HP Password Manager: Some websites and applications may not be supported. User may need to enable or allow the add-on / extension in the internet browser

17 HP SoftPaq Download Manager; HP System Software Manager; HP BIOS Config Utility; HP Client Catalog; HP Management Integration Kit for Microsoft System Center Configuration Manager: Not preinstalled, however available for download at
