

Product computer case

M/B support mATX / ATX

Color black

With the SCORPION, CHIEFTEC extends its high-value chassis portfolio by a unique and multi-functional HYPER GAMING CASE. The brand new GAMING CASE, based on a ATX form factor comprises of a 0,5mm thick metal case with an "eye-catching" and GAMING design and enormous capacities for "to-be-installed hardware" that serves the GAMING market marvelously. The TEMPERED GLASS front and side panels as well as the LED digital display temperature controller add significant value to an already outstanding GAMING chassis. The perfect solution for a HYPER and yet affordable ATX or mATX based HIGH-CLASS GAMING case.
