

PRODUCT HIGHLIGHTS

- Deep bass from included wireless subwoofer
- Bluetooth music streaming
- Seamless integration with Samsung TVs
- 2.1 Channel, 320W

Go beyond what you see, and experience more powerful sound with clear tones and deep bass. Pairs seamlessly with your Samsung TV.

KEY FEATURES

DEEP BASS

Set the included wireless subwoofer virtually anywhere in your space, and surround yourself with deep bass.

BLUETOOTH MUSIC STREAMING

Your soundbar also acts as a powerful Bluetooth speaker. Easily play music from virtually any streaming service by connecting your smart device to the soundbar via Bluetooth.

MADE FOR EACH OTHER

Don't get stuck with anything less than the perfect fit. The N450 integrates perfectly with most Samsung TVs. Enjoy Plug-and-Play connectivity via wired or wireless connections, control both TV and soundbar with a single remote and fine-tune your sound right from the TV menu.

SURROUND SOUND EXPANSION

Surround sound expansion expands the listening area both sideways and up to emanate sound. Now you can enjoy great sound with truly immersive surround effects.

WIRELESS SURROUND SOUND-READY

The Wireless Surround Kit¹ lets you expand your soundbar to a surround sound system easily without the mess of wires.² Together with your soundbar, you can create a true surround sound experience.

HDMI

Enjoy your favorite movies, shows and sports with higher quality audio. The HDMI connection transmits digital video and audio over a single cable, delivering a superior entertainment experience.

SLEEK NEW DESIGN

A brushed metal grill and subtly angled sides give the soundbar a sleek, premium appearance that perfectly complements your TV.

¹Samsung Wireless Rear Speaker Kit is available for separate purchase (Accessory model: SWA-8500S).

²The wireless module requires a power cable. Rear speakers are connected to the module by cable.
