

PHILIPS

Bagless vacuum cleaner

PowerPro Compact

1800 W

PowerCyclone 4

Animal+

Cleaning kit

FC8474/02

20% higher suction power* for a better clean

With PowerCyclone 4 Technology

The new Philips PowerPro Compact vacuum cleaner delivers powerful performance without compromises thanks to the PowerCyclone 4 technology and advanced bucket design

Powerful cleaning performance

- PowerCyclone 4 technology separates dust and air in one go
- 1800 Watt motor for high performance

Clean air in your home

- The EPA filter catches microscopic vermin causing allergy

Easy to clean

- Advanced dust container design for easy to emptying
- Smart cleaning kit with 3 tools, adapted to every need

Ergonomic grip for far reach

- Reach all corners thanks to the extra long ergonomic grip

Outstanding results on carpets and furniture

- Turbo Brush nozzle removes 25% more hairs and dust

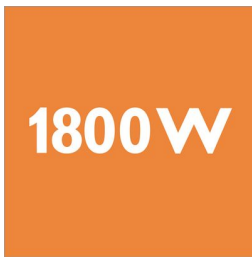

Highlights

PowerCyclone 4 Technology

PowerCyclone 4 technology maximizes airflow and performance by separating dirt from air in one go. It delivers remarkable cleaning results through highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber to separate the dust from the air.

1800 Watt Motor

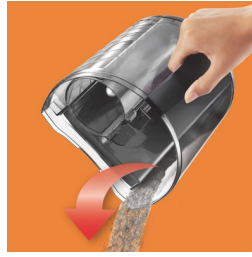

The 1800 Watt motor generates max 350 Watt suction power for high performance.

EPA filter system

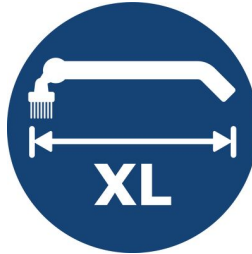

The pleated EPA filter has a large filter surface and good filtration performance. In combination with the cyclonic airflow, this prevents it from clogging fast and gives you better and longer-lasting filtration results.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

Turbo Brush nozzle

The Turbo Brush nozzle allows deep cleaning of carpets and quick hair and fluff removal from carpets. The rotating brush actively removes small dust particles and hairs, resulting in a 25% better cleaning performance on carpets. The wheels of the nozzle prevent damage in case of use on hard-floors.

Specifications

Performance

Airflow (max): 35 l/s
 Input power (IEC): 1600 W
 Input power (max): 1800 W
 Sound power level: 83 dB
 Suction power (max): 350 W
 Vacuum (max): 25 kPa

Usability

Action radius: 9 m
 Carrying handle: Front
 Cord length: 6 m
 Tube type: Metal 2-piece telescopic tube
 Wheel type: Plastic
 Tube coupling: Conical

Design

Color: Full red

Filtration

Dust capacity: 1.5 L
 Exhaust filter: Sponge
 Motor filter: Washable foam inlet filter

Nozzles and accessories

Accessories included: Crevice tool, Small nozzle
 Accessory storage: On tubeclip
 Additional nozzle: Full turbo brush
 Standard nozzle: All-purpose nozzle
 Extra accessories: Cleaning kit

Sustainability

Packaging: > 90% recycled materials
 User manual: 100% recycled paper

Weight and dimensions

Dimensions of product (LxWxH):
 406x285x238 mm
 Weight of product: 4.5 kg
