Clean air in your home

- CleanAir microfilter for cleaner air

Ergonomic grip for far reach

- Reach all corners thanks to the extra long ergonomic grip

Cleaning kit

- Smart cleaning kit with 3 tools, adapted to every need

PHILIPS

Features

1600 Watt motor

This powerful 1600 Watt motor generates max. 250 Watt suction power for excellent cleaning results.

Extra long ergonomic grip

This ergonomically shaped grip is convenient in use. Its extra long design gives you farther reach, so you can easily clean hard to reach places.

3 liter s-bag

This large Philips dust bag capacity allows you to make optimal use of your vacuum cleaner bag, which means you have to change your dust bag less frequently.

CleanAir microfilter

The CleanAir microfilter captures fine dust in the vacuum before the air is blown back into your room, for a dust free environment and clean air.
