K600 TV
TV Keyboard With Integrated Touchpad and D-pad

MAKE YOUR TV WORK SMARTER.

The K600 TV is the smarter way to control your Smart TV. Sit back and navigate menus with the D-pad and control the cursor with the precision touchpad from up to 15 metres (49 feet) away. Familiar typing allows you to quickly search for content, enter your complicated mix-cased password and browse the internet with ease. The dedicated media and navigation keys allow you to play and pause movies, control the volume and immediately launch Home and Search screens. Connect the K600 TV to your Smart TV, PC and mobile devices – and switch between them with the touch of a button.
