

Party-Soundsystem with Bluetooth

MEDION® LIFE® X67015 (MD 43363)

Main Features

Celebrate with 2 x 1000 Watt max. output power and powerful bass like in a club. The compact Soundsystem provides everything you need to heat up your party.

Create the ultimate atmosphere thanks to the colorful LED lights.

Whether you listen to music at home or having a party elsewhere – thanks to grip recess and rollers the Soundsystem is easy to transport.

With 5 sound presets and integrated equalizer you can change the sound experience at any time.

Thanks to the 2 microphone inputs you can make announcements or sing karaoke with your friends while the music is playing in the background.
(Microphone not included)
