

# Party Sound System with Bluetooth

MEDION® LIFE® P67013 (MD 43438)

## Main features

Celebrate with 440 watts max. music output and powerful bass as in the club. The compact sound system offers everything you need to heat up your party.

Create the ultimate atmosphere with the coloured LED lights.

Whether you listen to music at home or having a party Elsewhere – thanks to the grip recess, the sound system is easy to transport.

Thanks to the 2 microphone inputs you can make announcements or sing karaoke with your friends while the music is playing in the background.
