Data sheet

HP Thunderbolt Dock Audio Module

Now hear this

Take calls[1] without a headset with the HP Thunderbolt™ Dock Audio Module, which attaches vertically to the HP Thunderbolt Dock G2[2] with no additional cabling to create our first Thunderbolt™ dock with an audio conferencing solution.

Rich audio and intuitive controls
Experience stereo sound and collaborate easily with built-in HP Noise Cancellation. Handy LEDs confirm when your call[1] is connected and slight vibrations on the top panel's buttons confirm successful interaction with call controls .

Clutter-free assembly
Snap the Module on top of your HP Thunderbolt Dock G2 with a simple connector and secure with a screw for a clean solution with no messy cables.

1. Internet access required and sold separately.
2. Dock sold separately.
