

Trio

CBCM6X543

AESTHETIC

Type of lid	Glass
-------------	--------------

DIMENSIONS

Width (mm)	660
------------	------------

Net weight (kg)	48
-----------------	-----------

Depth of the product (mm)	700
---------------------------	------------

Gross weight (kg)	52
-------------------	-----------

Height of the product (mm)	960
----------------------------	------------

MAIN FEATURES

Energy input	Dual fuel
--------------	------------------

Type of hobs	Mixed
--------------	--------------

Installation type	Free Standing
-------------------	----------------------

Type of energy - cavity 1	Electricity
---------------------------	--------------------

Cooking method first cavity	Multi function
-----------------------------	-----------------------

Usable volume - cavity 1	52
Product code	33001172
EAN code	8016361854437
Model	CBCM6X543

PERFORMANCE

Energy rating - cavity 1	A
--------------------------	---

PROGRAMS AND FUNCTIONS

Cooking method first cavity	Multi function
Total number positions be used at the same time	4

TECHNICAL FEATURES

Type of control setting	Button/Knob
Motorized turn spit	Yes
Type of safety device for gas	Electromagnetic for each burner
Grids	1
Trays	1
