

# SureColor SC-F2100 (4C)

DATASHEET / BROCHURE

The SureColor SC-F2100 offers a complete DTG package for designing and printing t-shirts, polo shirts, tote bags and other fabric items.

The SureColor SC-F2100 direct-to-garment printer lets you set up and start printing t-shirts and other items straight away, with a complete solution including printer, printhead, inks and software. This new model offers faster, higher quality printing, with reduced intervention and the ability to create your own designs.

## Complete solution

The SC-F2100 is part of a complete Epson DTG solution that includes printer, printhead, ink, software and warranty, meaning you can be assured that all parts have been designed and extensively tested to work optimally together.

## Faster, higher-quality printing

The printer offers speedier results than earlier models, with additional fast print modes and improved ink circulation for quicker start-up. Plus it incorporates improved screening for smoother reproduction of images and a wider gamut.

## Garment Creator software

Epson's versatile free Garment Creator software allows you to add text and multiple images, create user presets for image adjustment, and provides a hot folder and CMYK image support.

## Reduced intervention

The SC-F2100 has an auto-maintenance mode with a separate cleaning cartridge to substantially reduce scheduled maintenance, as well as a dust catcher to prevent fluff and dust on the printhead. It comes with an optional fabric platen grip pad and platen grip tool to make garment placement easier.

## UltraChrome DG ink

Epson's UltraChrome DG Inks are supplied in 600ml cartridges, and offer vivid colours and tough, crack-resistant white ink for printing on dark fabrics. White ink is circulated within the printer to reduce clogging.

## Eco-friendly

Epson's UltraChrome DG ink has been awarded an ECO PASSPORT certification from OEKO-TEX®<sup>1</sup>

## KEY FEATURES

- **Improved speed and quality**  
Additional fast printing modes and smoother image reproduction
- **Complete Epson solution**  
Including printer, printhead, ink, software and warranty
- **Versatile Garment Creator software**  
Add lettering and combine images to create unique designs
- **Reduced maintenance**  
Auto-maintenance mode with a separate cleaning cartridge
- **UltraChrome DG inks**  
Vivid colours and tough, crack-resistant whites

## PRODUCT SPECIFICATIONS

### TECHNOLOGY

Ink Technology	UltraChrome® DG
Printing Method	PrecisionCore™ TFP print head

### PRINT

Colours	Black, Cyan, Yellow, Magenta
Nozzle Configuration	720 Nozzles black, 720 Nozzles per colour
Ink tank capacity	600 ml
Minimum Droplet Size	21 pl

### GENERAL

Energy Use	52 W, 20 W (economy), 10 W (standby), 0,5 W (Power off)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Product dimensions	1.207 x 1.595 x 840 mm (Width x Depth x Height)
Product weight	80 kg
Sound Power	Operation: 5,7 B (A)
Noise Level	Operation: 41 dB (A)

### OTHER FEATURES

Memory	Printer: 512 MB, Network: 128 MB
--------	----------------------------------

### PAPER / MEDIA HANDLING

Duplex	No
--------	----

### OTHER

Compatible Operating Systems	Mac OS 10.6+, Mac OS 10.8.x, Microsoft Windows Vista (32/64 bit), Microsoft Windows XP (Home Edition / Prof / Prof X64 / Vista), Windows 7, Windows 7 x64, Windows 8, Windows 8 (32/64 bit)
Interfaces	USB 2.0 Type A (2x), 10 Base-T

### PRINT FEATURES

Printing Resolution	1.440 x 1.440 dpi
---------------------	-------------------

### LCD AND MEMORY CARDS

LCD screen	Type: Colour, Smart-navigation touch-panel, Diagonal: 6,5 cm
------------	--

### OTHER

Warranty	12 months On-site service
----------	---------------------------

## LOGISTICS INFORMATION

SKU	C11CF82301A1
EAN code	8715946661100
Country of Origin	China
