30 days of beer at 3°C, Fits 6L kegs, LCD display for temperature & volume, Ready to serve in 12 hours, Clean & hygienic design

HD3720/25

Highlights

Fresh for 30 days

Keep your favourite beer fresh thanks to the Philips Perfect Draft and enjoy the perfect pour for 30 days at a crisp 3 degrees celsius.

LED display

The LED display of the Philips Beer Machine shows when the beer is at the perfect temperature, how much is left in the keg, and how long it will stay fresh for.

Your favourite draft beers

Choose from a wide variety of your favourite draft beers — from crisp lagers to hoppy IPAs and refreshing wheat beers, and get your favourite keg ready for pouring with the Philips beer dispenser.

Dishwasher-safe drip tray

The removable drip tray is dishwasher safe for easy cleaning of your beer machine at any time.

Chills in 12 hours

Cooling time in the keg machine from room temperature to 3°C in 12 hours.

Removable tap handle

The tap handle of the Philips beer keg dispenser is easily removable when not in use for cleaning and child-safety.

Clean and hygienic

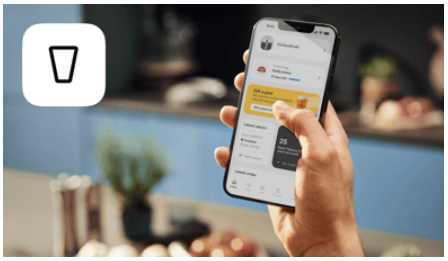

Each new keg comes with a new tube for a clean, hygienic pour.

Easy-to-change kegs

Just open the double doors in front to load a new keg of your favourite draft beer any time.

PerfectDraft app

Enhance your experience with the PerfectDraft app.

Specifications
