HP OfficeJet Pro 8730 All-in-One Printer

Maximise your print environment with space-saving HP Print Forward Design and professional-quality, low-cost colour.[1] Help reduce costs with fleet management solutions. Stay productive with an all-in-one designed for high-volume enterprises.

This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked. A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. More at: http://www.hp.com/learn/ds
