# ThinkPad<sup>®</sup> A475

## BUSINESS-READY, BUSINESS-SECURE.

You never compromise. Neither should your laptop. The no-nonsense power of the ThinkPad<sup>®</sup> A475 lets you ramp up your productivity, whether you're in the office with coworkers or on the road with customers. As you start each day, your to-do list doesn't need to be linear—because multitasking is made easy with AMD Pro manageability. And with processor-level security added to Windows Hello and fingerprint reader features, your data is locked down from the moment you power up. With the ThinkPad A475, your professional capabilities meet their match, allowing you to stay nimble and focused on the win.

## FEATURED ACCESSORIES

### ThinkPad 90W Ultra Dock (40A20090US)

Grow capability without having to grow in size. Completely redesigned, this ultimate 90W docking solution includes a wide range of video outputs, including HDMI 1.4, and support for multiple external monitors—so you can multitask like never before.

### ThinkPad Professional Slim Topload Case (4X40E77325)

This sleek and modern professional backpack offers durable materials and intelligently designed organization. Special features include a hidden security pocket in the back panel and a padded soft-lined compartment for glasses or other valuables. New front and slip pockets provide convenient access to travel essentials. Ergonomic shoulder strap, comfortable carry handles, and trolley strap make on-the-go easy.

### ThinkPad Precision Wireless Mouse (0B47163)

This new and stylish mouse includes a sleek design and precise control features that not only enhance your office performance but also provide an excellent option for mobile users. New blue optical tracking technology enhances your control through precision performance that operates on almost any surface. Available in multiple colors: Midnight Black, Heatwave Red, Frost Silver, and Graphite Black.

## RECOMMENDED SERVICES

Lenovo™ offers a comprehensive portfolio of services to support and protect your ThinkPad® investment—so you can focus on your business, not your IT.

### Premier Support

Bypass phone menus and scripted troubleshooting to access advanced-level technicians with the expertise needed to quickly diagnose and solve problems.

### Accidental Damage Protection (ADP)

Protect your investment from operational or structural damage caused by common accidents like drops, spills, or electrical surges. This fixed-cost, fixed-term protection plan minimizes unexpected repairs for predictable budgeting and provides significant savings relative to the cost of non-covered repairs.

### Warranty Extensions

Get a fixed-term, fixed-price service solution to match the lifecycle of your device and fit within your budget. Purchasing an extension at the time of a system purchase saves 15-30% over the price of purchasing it post-warranty.
