

# HP 14 Laptop PC

## All-day power. Eye-catching design.

Designed for long-lasting performance, this beautifully crafted laptop has an all-day battery that keeps you connected up to 14<sup>1</sup> hours. Plus, its slim and sleek design makes it easy to take anywhere. Speed through tasks or sit back and socialize with the latest, powerful processors and a rich HD<sup>2</sup> or FHD<sup>3</sup> display.

Thin and light design

High Performance

Battery full

### Slim. Stylish. Portable.

Thin, sleek and more stylish – this eye-catching laptop is easy to take anywhere. With its beautiful brushed finish and seamless bar hinge, the smartly designed HP 14" laptop looks as good as it performs.

### Responsive and reliable performance.

Rely on long-lasting performance and the latest processor<sup>4</sup> for all your streaming, surfing, and multi-tasking needs.<sup>5</sup> Plus, extensive quality testing ensures it keeps up with your active lifestyle.

### Stay Connected and Entertained

Stay connected and entertained for up to 14 hours<sup>7</sup> with a battery with HP Fast charge, rich HD<sup>2</sup> or FHD<sup>3</sup> display, and HD camera<sup>6</sup>. Plus, easily store and enjoy your favorite music, movies, and photos with ample storage options.

<sup>1</sup>Battery life tested by HP using continuous FHD video playback, 1080p (1920x1080) resolution, 150 nits brightness, system audio level at 17%, player audio level at 100%, played full-screen from local storage, headphone attached, wireless on but not connected. Actual battery life will vary depending on configuration and maximum capacity will naturally decrease with time and usage. <sup>2</sup>High-definition (HD) content required to view HD images. <sup>3</sup>Full high-definition (FHD) content required to view FHD images. <sup>4</sup>Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. <sup>5</sup>Internet service required and not included. <sup>6</sup>Features may require software or other 3rd party applications to provide the described functionality. <sup>7</sup>Windows 10/ MM14 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [bapco.com/products/mobilemark-2014/](http://bapco.com/products/mobilemark-2014/) for additional details.

## Features

---

### Windows 10<sup>1</sup>

Do great things confidently with the familiar feel of Windows – only better.

### HP Fast Charge<sup>2</sup>

When your laptop is low on power, no one has time to wait hours to recharge. Power down your device and go from 0 to 50% charge in approximately 45 minutes.

### Dual Storage (SSD+HDD)

By including both an SSD drive for the operating system and a traditional hard drive you get the benefits of both worlds—fast boot up times, snappy responsiveness, and larger storage capacity.

### Tuned stereo speakers

Through rigorous testing and refinement, HP custom tunes the dual speaker setup in every notebook for exceptional stereo quality.

### Choose your colour<sup>3</sup>

Personalize your PC with your choice of colour, for style that matches yours.

### Dropbox cloud storage<sup>4</sup>

Store and synchronize your content online with Dropbox. Get 25GB of storage for one year to access, manage, and share your photos, music, and files from anywhere with Internet access

### McAfee LiveSafe 30-day trial<sup>5</sup>

Protect your operating system with a free 30-day McAfee LiveSafe subscription.

<sup>1</sup> Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See [microsoft.com](https://microsoft.com) <sup>2</sup> Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the laptop, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Spectre 2-in-1 and HP x2 PC models. See [store.hp.com](https://store.hp.com) for a full list of product features. <sup>3</sup> Colours may vary by region. <sup>4</sup> 25GB of free online storage for one year from date of registration. For complete details and terms of use, including cancellation policies, visit the website at [dropbox.com](https://dropbox.com). Internet service required and not included. <sup>5</sup> Internet service required and not included. Subscription required after 30 days.

<b>Dimensions (mm)/Weight (kg)</b>	335 x 234 x 19.9 mm / 1.47 kg

<sup>1</sup> Not all features are available in all editions or versions of Windows 10. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See [microsoft.com](https://microsoft.com). <sup>2</sup> Some models may not feature all the listed components and vary depending on configuration. <sup>3</sup> High Definition content (e.g. WMV HD files) is required to view high definition images. Most current DVDs do not provide high definition images. <sup>4</sup> Wireless regulatory differs from country to country. <sup>5</sup> Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See [bapco.com](https://bapco.com) for additional details. <sup>6</sup> Available in certain countries. <sup>7</sup> Not Available for China. <sup>8</sup> Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP Envy, HP Omen and HP Pavilion models. See [store.hp.com](https://store.hp.com) for a full list of product features. <sup>9</sup> Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering is not a measurement of higher performance. Intel, Pentium, Intel Core, Celeron, Intel logo and the Intel Inside logo are trademarks of Intel Corporation in the U.S. and other countries. <sup>10</sup> Intel® Turbo Boost performance varies depending on hardware, software and overall system configuration. See [intel.com/technology/turboboost/](https://intel.com/technology/turboboost/) for more information.

## Recommended Accessories

---

### HP Wireless Mouse Z3700

(X7Q43AA/X7Q44AA/X7Q45AA/VOL79AA/VOL80AA/  
VOL81AA/VOL82AA/1CA96AA)

**Gold, Silver, Purple, Black, White, Blue, Red, Hearts**

It's time your accessories matched your individuality. Meet your new wireless mouse<sup>1</sup>, carefully crafted to bring its unique slim style to your work. It's functional. It's portable. It's fashionable. It's yours.

### HP Stereo Headset H2800

(2AP94AA/2AP95AA)

**Silk Gold, Pike Silver**

Enjoy immersive sound and a comfortable fit with the convenience of an in-line microphone and audio controls. The wired HP H2800 Headset works with most computers, tablets, and smartphones so you can use one headset across your devices.

### HP Reversible Neoprene Sleeve

(2UF59AA/2UF60AA/2UF61AA/2TX16AA/2TX17AA)

**Black/Gold, Black/Silver, Black/Silver Geometric**

Wrap your laptop in a snug, colourful sleeve. The durable neoprene material helps keep your PC safe from the elements, as well as from bumps and scrapes. Easily reversible so you can change colours to suit your mood.

<sup>1</sup> Wireless connectivity up to 30ft (10m).
