1160X/42

### Series 6000 - Soft touch, smooth shave

### with Jet Clean system

The Philips Norelco Shaver 6600 (formerly called SensoTouch 2D) has a soft touch for a smooth shave. The Gyroflex 2D system adjusts easily to your face and the JetClean System washes, lubricates, dries and charges your shaver.

#### **Designed for comfort**

• Shaver follows the countours of your face

#### **Protective seal for wet or dry shaving**

• Comfortably shaves - wet or dry

#### **Travel-friendly design**

• Worldwide voltage automatically adjusts

#### **Cordless convenience**

• One-hour charge provides up to 50 minutes of shaving

#### **Easy cleaning with Jet Clean**

• Jet Clean system cleans, lubricates, and charges the razor

## Highlights

#### **GyroFlex 2D system**

Designed to follow the curves of your face, this wet and dry electric shaver uses GyroFlex 2D's two-dimensional contouring technology to pivot in a circular motion and tilt inwards. Its contourfollowing system adjusts easily to every curve, minimizing both pressure and irritation. The result is a close shave that's easy on your skin.

**DualPrecision shaving heads** 

This shaver delivers a close, comfortable shave with complete coverage and accuracy. It features DualPrecision heads with slots to shave the normal hairs and holes to shave even the shortest stubble.

**Super Lift & Cut action** 

The patented Super Lift and Cut dual blade system lifts hairs to cut comfortably below skin level, while the low-friction SkinGlide shaving surface slides smoothly along your skin. As a finishing touch, use the precision-trimmer feature for your mustache and sideburns.

**Aquatec - Wet or Dry shaving** 

This shaver lets you shave any way you want. The AquaTec seal gives you the option of either a comfortable dry shave or a refreshing wet shave with shaving cream or gel. No matter which you choose, Series 6000's slim, non-slip grip makes for easy handling.

#### **Rechargeable cordless**

With SensoTouch, you'll enjoy the convenience of cordless operation. One hour of charging provides up to 50 minutes of shaving time, and a 3-minute quick-charge option gives you enough power for a single shave. The two-level battery display lets you know when the battery is full and shows a low-battery warning when it's time to recharge.

**Jet Clean system** 

SensoTouch is easy to maintain with a Jet Clean system that cleans, lubricates, and charges the shaver. Additionally, SensoTouch features a hair collection chamber that helps keep your sink tidy.

#### **Great for travel**

An excellent travel companion, the SensoTouch features a travel lock, protective cap, and storage pouch for safe portability. SensoTouch also has a worldwide voltage function that automatically adjusts from 100 volts to 240 volts AC, making it ideal for international trips.

# Specifications

#### **Accessories**
