

Philips Avent
Microwave Steam Steriliser

SCF271/07

Ultra fast and convenient

Sterilises 6 feeding bottles in 2 minutes

The Philips Avent SCF271/07 Microwave Steam Steriliser's lightweight, compact design makes it ideal for sterilising feeding bottles in and out of the home. Contents remain sterile for up to 24 hours if lid is unopened.

Benefits and features:

- Ultra fast, easy to use
- Compact and lightweight
- Ideal for home and travel
- Large capacity
- Safe, easy handling
- Effective sterilisation

PHILIPS
AVENT

Highlights

Ultra fast, easy to use

Just add water, load and place in the microwave for as little as 2 mins. 2 mins at 1100-1850 Watt, 4 mins at 850-1000 Watt, 6 mins at 500-850 Watt.

Compact and lightweight

Fits most microwaves. Convenient for travel.

Large capacity

Holds up to six 260-ml/9-oz Avent baby bottles or two Philips Avent Breast Pumps and two Avent baby bottles.

Safe, easy handling

Clips close lid securely and side grips stay cooler to aid safe handling.

Effective sterilisation

Based on the hospital principle, the intense heat of the steam destroys harmful bacteria.
