

Philips Avent
Single electronic breast
pump

Out and about set

SCF292/13

Designed for Comfort

Inspired by nature

Our unique Out & About BPA-Free pump is designed with an electronic memory that puts you in control by learning and continuing your personal pumping style.

Stimulate and Express

- Soft massage cushions trigger natural let-down, like baby
- Gentle vacuum mimics baby's suckling for steady milk flow

Use three ways

- By mains power, battery power and manual

Helps you breastfeed longer

- More milk, naturally

Benefits and features:

- With insulated travel bag and cool packs
- Learns and continues your pumping rhythm

PHILIPS
AVENT

Highlights

With insulated travel bag and cool packs

Everything you need to maintain your milk supply and to express and store your breast milk when away from your baby.

Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Learns and continues your pumping rhythm

Electronic memory learns and at the touch of a button, continues your personal pumping rhythm.

Mains, battery and manual

In addition to mains power, this single electronic pump can also operate using battery power and as a manual pump, for total flexibility.

More milk, naturally

Expression allows breast milk to be available, even when you can't be there
