

Hi-Fi Headphones

Hear with Complete Clarity

K97602WW

Product Description

The Kensington Hi-Fi Headphones is a durable headset that provides high-quality stereo sound and best-in-class comfort features. Supporting common core learning standards, the headphones provide a max output of 94db for safe listening. The Hi-Fi Headphones is suitable for students, business professionals, and recreational gamers. Compatible with Windows, Mac and Chromebook for a simple plug and play experience.

Features

- High-Quality Stereo Sound is provided through powerful 40mm drivers with deep base and a wide dynamic range to deliver an exceptional listening experience.
- Best-in-Class Comfort – designed to fit heads of all ages, the adjustable headband is padded and the foam ear pads are wrapped in a soft leatherette cover to provide hours of comfortable use.
- Single-Sided Monitoring Enabled –the ear cups swivel to enable teachers or call center instructors to listen in and support.
- 6 Foot Cord is the ideal length for learning environments and strong enough to stand up to heavy use.
- Multi-Device Compatibility allows headphones to work with Windows, Mac and Chromebook devices.
- Safe Listening Limit sets the maximum output to 94db to protect ears from hearing loss associated with excessive loud noise.
